Assembly

Each Monday morning 9:00

Last assembly for am

the year is on the

21st.

Intermediate Track Meet

Our intermediate track meet, grades 4-7, will be held on Wednesday, June 16th. Our students have been practicing sprints, long jumps, ball throw and the other events. Please feel free to join us.

There will be hot dog sales on this day. Hot dogs \$1.00, hot dog and juice \$2.00. These sales will be for all our students including our primary students.

Class Organization

Within the next week we will begin the process of organizing our classes for next year. As in the past your child's placement will be included in their final report card envelope along with their next year's teacher's name and supply list.

We will be having a number of split classes next year because of the student numbers. I will report out to you as soon as possible the complete staffing of our school for September once the collective agreements has been met.

Gym Shoes and Playground Footwear

A reminder that students need to have proper runners for our physical education classes. These runners should be for inside use and have other sneakers/footwear that they wear daily for outside use.

Also students must have footwear on while outside. They cannot be bare foot or in socks while on the playground during school hours. One never knows if someone has broken a bottle or there is dog poop on our playground.

Nakusp Music Fest Art, Poetry and Writing Contest

Some of our students entered the Nakusp Music Fest contest and the following students were selected as winners by the organizers in the grades 3-7 category:

1st place	Olivia Mang	Grade 4
2nd place	Silken Jones	Grade 6
3rd place	Brody Herridge	Grade 4

Congratulations.

Please remember to be safe. Follow the rules when riding your bikes and crossing streets. Always look both ways. Be cautious. Be safe.

Try Angling for Free June 18-20 Father's Day Weekend

Take Dad and family fishing this weekend for free, No license required. Take this opportunity to try recreational angling as a pastime and enjoy BC's world class fishing opportunities. This will be my 3rd year sponsoring this event along with The Family Fishing Society of BC. The BC's Family Fishing weekend in Nakusp and area on the Arrow Lakes has been a lot of fun getting newcomers to the sport of fishing with my family and I love it. Along with the new program this year called Fishing Buddies which allows you to sign and introduce a newcomer to the sport of fishing. Through this you can enter for some great prizes and the personal enjoyment of sharing your knowledge of fishing and perhaps putting a smile on someone's face the first time they hook a big one.

Although the BC Family Fishing weekend is just 3 days of fun on the lake for free, **My event is on SATURDAY, June 19, 2010 from 9:00 a.m. to 4:00 p.m. at the Nakusp Marina.**

Free fish derby with loads of prizes. You must go fishing to enter this year as this weekend is all about the sport of fishing. So Parents and Grandparents get the boats in the water and take them fishing.
